

09 November 2016

Dear Valued Member,

Please take note of the following changes that we have made:

### 1. New Bank Account Details

We have a new bank account, and below are our new Banking details. All other bank accounts that were previously used will be closed, as of the 30<sup>th</sup> of November 2016. Transactions in the old bank account/s will not be accepted as payment.

New Banking Details	Account Number	Branch Code	Account Type
ABSA – MLEK Sales and Distribution	409 037 6308	632005	Cheque

### 2. Excessive Cash Deposit Costs

MLEK Sales and Distribution is incurring excessive Cash Deposit fees, as such we are requesting all members no longer pay us via Cash Deposit and to revert to paying us via Electronic Funds Transfer (EFT) or Cellphone Banking. Mlek Advisory Services is willing to provide education and assistance with Electronic Funds Transfer (EFT) or Cellphone Banking on request.

From the **1<sup>st</sup> of January 2017 onwards**, we will only accept payment via Electronic Funds Transfer (EFT) or Cellphone Banking, due to the excessive Cash Deposit fees being incurred.

### 3. Rounding off of our Prices

We have noticed that many customers are paying us rounded off figures instead of the exact Invoice amounts. Therefore, we have made the decision to round off our Mabele prices for both our conveniences. We hope that this will ensure that the price you pay matches that of your invoice.

PRICES		
Size	MLEK Selling Price	Recommended Price to Customers
1Kg	R16,50	R20,00
2 Kg	R28,00	R33,00
5 Kg	R63,00	R75,00

Kindest Regards,
